Raising Angora Goats for Beautiful Mohair

by Sharon Chestnutt

Philomath, Oregon

With their long luxurious mohair fleeces, Angora goats are the divas of the goat world. I have watched many fall instantly in love with their gorgeous fleeces and extraordinary personalities, load some in their truck and head home. But, Angora goats are sensitive animals — finicky about their care, and rather demanding in their needs. To raise these wonderful animals and utilize their beautiful mohair requires proper care and attention; now all that information is here in one place.

This book is the culmination of thirty years of devotion to, and success with, the amazing Angora goat.

RUMINATIONS OF A GRUMPY SHEPHERD

by Dick Regnery

Whitefish Bay, Wisconsin

Published in 2010, here are stories from one of *Black Sheep Newsletter's* regular contributors, Dick Regnery, who wrote the column "The View from Whitefish Bay Farm."

You may have read some of the stories in **Ruminations of a Grumpy Shepherd**, Random Thoughts from a life of Raising Sheep, but many have not been published in the *BSN*, especially those written by a favorite ewe, Nanoo, Nanoo. Her reflections on life with the "old bearded guy" and the "nice lady" will tickle your funny bone.
